Rei Toma : Dawn of the Arcana, Vol. 11 before purchasing it in order to gage whether or not it would be worth my time, and all praised Dawn of the Arcana, Vol. 11:

0 of 0 people found the following review helpful. Ashley ikeBy ashley ikeI like these books and i thought i should step up my plans in my life ^_^, also some times things might get ugly or really mess up i guess? Keep writting these books, cuz i really really love them like my other books i read two.0 of 0 people found the following review helpful. Five StarsBy haley sisnerosLoved it0 of 0 people found the following review helpful. Nakaba does a very unexpected

thing that just might change everything we know. And Loki has something no one could believe. By Leaf Nakaba is a very admirable heroine. She has learned to recognize when someone is starting to like her more than as a friend, and she doesn't want to take advantage of them. She knows what's right and wrong. She saves a "taboo child"-a child of Ajin and Human parentage- from an avalanche, and this relates back to Loki, whom we finally get closure on. Nakaba has two options to which she must take and a certain flashback of Loki after killing someone is finally revealed. Nakaba decides to change that future, to stop him from "becoming an animal" but has she herself become one? This manga has a surprising amount of depth to it, and does a good job at showing all the shades of the human heart and what we are capable of when we are faced with life or death, love or hate, killing or mercy.

A New York Times bestseller with gorgeous, eye-catching art and a romantic storyline that's addicting to read. Princess Nakaba of Senan is forced to marry Prince Caesar of the enemy country Belquat, tantamount to becoming a hostage. While Caesar is pleasing to the eye, he is also selfish and possessive, telling Nakaba outright: You are my property. With only her attendant Loki at her side, Nakaba must find a way to cope with her hostile surroundings, her fake marriage...and a mysterious power! Princess Nakaba of Senan and Prince Caesar of Belquat only married each other for the sake of peace between their two warring countries, yet the two find themselves drawn to each other. As political forces threaten to tear their world apart, and with Caesar's departure to Belquat, the couple separates. Now Nakaba must navigate the treacherous court of Senan by herself, including deciding how to handle her new husband, Prince Adel! Will Nakaba be able to use her Arcana of Time power to take control of Senan? Reads R to L (Japanese Style) for teen audiences.

About the Author Rei Toma has been drawing since childhood, but she only began drawing manga because of her graduation project in design school. When she drew a short-story manga, *Help Me, Dentist*, for the first time, it attracted a publisher's attention and she made her debut right away. Her magnificent art style became popular, and after she debuted as a manga artist, she became known as an illustrator for novels and video game character designs. Her current manga series, *Dawn of the Arcana*, is her first long-running manga series, and it has been a hit in Japan, selling over a million copies.
