Plenty of twists and turns in the plot to keep your attention. Would recommend this series.0 of 0 people found the following review helpful. Can't wait for Vol. 13By AlohanekoSomeone told me about this series, I started it and I just loved it...cried at times but super loved it. Can't wait for Vol. 13!!0 of 0 people found the

following review helpful. King Guran's past is unveiled, and it's quite tragic. By LeafA rather depressing volume. We get a look into the past of King Guran and Sara, and how he became the ruthless King that we know now. However, he is a man blind with depression, and that causes him to be rash and power hungry. We find out the reason he despises those who possess the Arcana of Time, and it's quite tragic considering everything that happened.

Princess Nakaba of Senan is forced to marry Prince Caesar of the enemy country Belquat, tantamount to becoming a hostage. While Caesar is pleasing to the eye, he is also selfish and possessive, telling Nakaba outright: You are my property. With only her attendant Loki at her side, Nakaba must find a way to cope with her hostile surroundings, her fake marriage...and a mysterious power! Princess Nakaba of Senan and Prince Caesar of Belquat only married each other for the sake of peace between their two warring countries, yet the two develop feelings for each other while political forces threaten to tear their world apart. With Caesars departure to Belquat, the couple separates. Meanwhile, Nakaba manages to take control of Senan as ruler! But once Caesars father, King Guran, decides to break the peace treaty and invade Senan, what will Caesar do when hes caught between his father and the woman he loves?

About the Author Rei Toma has been drawing since childhood, but she only began drawing manga because of her graduation project in design school. When she drew a short-story manga, Help Me, Dentist, for the first time, it attracted a publisher's attention and she made her debut right away. Her magnificent art style became popular, and after she debuted as a manga artist, she became known as an illustrator for novels and video game character designs. Her current manga series, Dawn of the Arcana, is her first long-running manga series, and it has been a hit in Japan, selling over a million copies.
