Rei Toma : Dawn of the Arcana, Vol. 5 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dawn of the Arcana, Vol. 5:

0 of 0 people found the following review helpful. Five Stars By Customer Good book 0 of 0 people found the following review helpful. Arcana Review 3 By May Star This book got a 5 star rating. Again, Rei Toma, doesn't disappoint in this volume of the manga. The story continues where the Prince and Princess decide to go to the village that is targeted by the kingdom of Belquat for destruction. They must get there first to warn the adjin village of the danger. A must read for those who love intrigue and action and a little romance too! 0 of 0 people found the following review helpful. Five

StarsBy CustomerMy daughter was very happy when this arrived. She read it right away.

A medieval fantasy where a princess's mysterious power alters her fate! Reads R to L (Japanese Style), for audiences rated teen. Princess Nakaba of Senan is forced to marry Prince Caesar of the enemy country Belquat, tantamount to becoming a hostage. While Caesar is pleasing to the eye, he is also selfish and possessive, telling Nakaba outright: You are my property. With only her attendant Loki at her side, Nakaba must find a way to cope with her hostile surroundings, her fake marriage...and a mysterious power! Princess Nakaba of Senan and Prince Caesar of Belquat only married each other for the sake of peace between their two warring countries, and no one expected there to be love between the unlikely couple. But as Nakaba and Caesar grow close, political forces threaten to tear them apart especially when Caesar's brother Cain leads an attack on a village Nakaba is trying to save! As things heat up, will Caesar be able to protect Nakaba against his own brother?

About the Author Rei Toma has been drawing since childhood, but she only began drawing manga because of her graduation project in design school. When she drew a short-story manga, *Help Me, Dentist*, for the first time, it attracted a publisher's attention and she made her debut right away. Her magnificent art style became popular, and after she debuted as a manga artist, she became known as an illustrator for novels and video game character designs. Her current manga series, *Dawn of the Arcana*, is her first long-running manga series, and it has been a hit in Japan, selling over a million copies.
