Joseph Michael Linsner : Dawn, Vol. 1: Lucifer's Halo before purchasing it in order to gage whether or not it would be worth my time, and all praised Dawn, Vol. 1: Lucifer's Halo:

1 of 1 people found the following review helpful. so it was to my great pleasure that this turned out to be one of ...By ZephyrusZurvanDo not let Dawn's revealing outfits and the inclusion of Lucifer deter you from reading this.I did not know what to expect from Dawn: Lucifer's Halo, so it was to my great pleasure that this turned out to be one of the most soulful and philosophical comics (and books) that I've ever read. Linsner takes us 'where angel's fear to tread'-

right onto the ground of theological discussion. Not to spoil anything, but throughout the course of this story Heaven, Hell, gods, goddesses, life, death, love, and hate are all brought into question...Those of you interested in religion, magic and mysticism, classic literature, and philosophy are bound to get a kick out of Dawn: Lucifer's Halo.0 of 0 people found the following review helpful. Five StarsBy John V Lopez JrGreat story.2 of 3 people found the following review helpful. The GoddessBy SiffinA zery good story that everyone should read. A very good story about the path of love. And what we all want. How we all want love to work while we look for the one.

In the heart of a post-apocalyptic New York City lives a handsome, young mercenary, Darrian Ashoka. He lives in a Mad-Max style world of late-night battles and hanging out in bars. During a particularly bloody fight in old Times Square, Darrian catches a glimpse of a mysterious, gorgeous redhead in a doorway. He knows instantly he has to meet her and kills a man who gets in his way to get to her! She says her name is Dawn and she spends a night with Darrian that will change his life! Dawn plants some tantalizing thoughts in his head about the nature of existence and then disappears. Darrian's quest to find her again takes him to the heights of Heaven, the deepest pits of Hell, and everywhere in-between. Is it harder to fight angels, demons, or yourself? Featuring 176-pages of lushly painted, full-color artwork by Joseph Michael Linsner, one of the comic industry's true painting masters, Lucifer's Halo is a must-read for Goddess worshippers, fantasy fiction fans, goth girls and boys, and everyone who has chased the mysterious promise of new love.
