Dave Gibbons : DC Comics/Dark Horse: Batman vs. Predator (Batman Dc Comics Dark Horse Comics) before purchasing it in order to gage whether or not it would be worth my time, and all praised DC Comics/Dark Horse: Batman vs. Predator (Batman Dc Comics Dark Horse Comics):

3 of 4 people found the following review helpful. Interesting but not as good as I hoped for the money it costBy J

SamsI splurged on this and feel like I got burned somewhat on the price. I'm glad I have it, but it's not a classic. Caveat Emptor is something all comic fans know.0 of 0 people found the following review helpful. excelent work, even for 90's standardBy Cesar ArayaAs always happen with batman's comic and predator, excelent work, even for 90's standard.2 of 2 people found the following review helpful. Very happy to have this.By Brett L.I am really glad to have all three of the stories collected here, and on good paper. Came from slightly munched but now I don't have to worry about keeping it pristine. The artwork ranges from very good to excellent in all three stories. There is a nice progression thought each stories, both in the Predators, the context behind their visits, and how the Batman responds to each challenge. The stories are written with plenty of action, lots of it, but not too much of the mega-testosterone over the top 90's stuff so into vogue by the third story in the series. The inking and coloring for the first story is so much better than my original collected edition graphic novel, because all the line work isn't bled into a very dark background. Definitely worth it, whether you have never read them, your original collected editions are wearing out, or you just want a beater copy.

For the first time, all three BATMAN VS. PREDATOR miniseries are collected into one massive bloody collection, including the Eisner Award-winning BATMAN VS. PREDATOR #1-3 by Dave Gibbons (WATCHMEN), Adam Kubert (SUPERMAN: LAST SON) and Andy Kubert (DARK KNIGHT III: THE MASTER RACE) in DC COMICS/DARK HORSE COMICS: BATMAN VS. PREDATOR. While fear and darkness have always haunted the streets of Gotham City, a new terror has crept onto the rooftops and into the hearts of its citizens. An alien hunter known only as the Predator has come to Gotham to hunt its greatest warriors, and after a string of brutal murders, the Predator has its sights on Batman. In an epic showdown, the Dark Knight must use all of his skills, both martial and mental, to beat this otherworldly menace. After their first bloody contact, Batman faces off against the alien Predator a second time as a price is put on his head by a ruthless gangster. This time Batman enlists the help of the Huntress as he fends off both the assassins and the Predator. Finally, Batman and Robin must face a third incursion from space as a deadly gang war rages across the streets of Gotham. As Mr. Freeze and Catwoman entangle themselves in the web of death, Batman must learn to trust his young partner in order to defeat the alien menace for a third time. Collects BATMAN VS. PREDATOR #1-3 by Dave Gibbons (WATCHMEN), Adam Kubert (SUPERMAN: LAST SON) and Andy Kubert (DARK KNIGHT III: THE MASTER RACE).

About the AuthorDave Gibbons an English comic book artist and author, best known for his collaborations with writer Alan Moore, including the seminal WATCHMEN graphic novel and the SUPERMAN story "For the Man Who Has Everything." He was an artist for the UK anthology 2000 AD, for which he contributed a large body of work from its first issue in 1977. For DC, he has written GREEN LANTERN CORPS and RANN-THANAGAR WAR.
