**Geoff Johns, Grant Morrison, Scott Snyder, Paul Cornell, Scott Lobdell : DC Comics: The New 52** before purchasing it in order to gage whether or not it would be worth my time, and all praised DC Comics: The New 52:

0 of 0 people found the following review helpful. An omnibus to introduce the DC universeBy Zsolt MurnyiMassive 1000+ page collection of the first issues of all 52 "The New 52" titles from the DC reboot (since then there have been an other total reboot). It is good to see so many different stories (however most of them are similar "DC-style" which is not as good as Marvel at that time).Almost every story ends with a cliffhanger which is not good because you want

to continue to read but you just can't. From the 52 titles for me it was 3-4 excellent, 10 good, the rest is average (and found 5-10 super boring ones). Good introduction to the world of DC comics however now it is a little bit outdated. The binding is not so good, it is hard to hold the book and it is almost impossible to read it on a table. 0 of 0 people found the following review helpful. A great omnibus for the casual DC reader. By Gert-Jan Segeren I'm a Marvel collector. But I do like the DC "September omnibi". It gives me a chance to get a glance at the DC universe. This omnibus doesn't disappoint in that matter. The stories stand well on their own. The binding sometimes makes the reading a bit difficult. On the other hand: it keeps my neck stretched and healthy for 1200 pages. 1 of 1 people found the following review helpful. This Book is Huge and Not in a Good Way By C. Smith Seeing how I would destroy the spine of the book if I tried to read it I just left it wrapped up and put it away. I don't mind having a nice set of the first issues for 'The New 52', but I kind of wish this was more reader friendly. Good as an archival copy, horrible if you want to read it.

**A NEW YORK TIMES BESTSELLER** This September, DC Entertainment is making history by launching 52 #1 DC Comics issues starring the World's Greatest Super-Heroes. To commemorate this milestone occasion, DC Entertainment will be releasing **DC COMICS: THE NEW 52**, a massive hardcover collection that collects every single one of these debut issues. Hitting stores just in time for the holiday season, this 1,216-page compilation will include such issues as: **JUSTICE LEAGUE #1** by Geoff Johns and Jim Lee **ACTION COMICS #1** by Grant Morrison and Rags Morales **BATMAN #1** by Scott Snyder and Greg Capullo **GREEN LANTERN #1** by Geoff Johns and Doug Mahnke **SWAMP THING #1** by Scott Snyder and Yanick Paquette **STORMWATCH #1** by Paul Cornell and Miguel Sepulveda **TEEN TITANS #1** by Scott Lobdell and Brett Booth And 45 more!

**About the Author** Geoff Johns has written *Infinite Crisis*, *52*, *Green Lantern*, *X-Men*, *The Avengers*, *Superman*, and much more. Jim Lee worked on *X-Men*, *Batman* and *Superman* and founded *Image Comics* and *WildStorm*. Today, Lee is copublisher of DC Comics and the artist for many of DC's best-selling comics and graphic novels.
