It is chock full of pretty much every mainstream superhero DC has plus Wonder Woman meets her extended family on Zeus' side so we also get to meet a ton of Greek mythological heroes as well. This is a graphic novel which hasn't appeared in comic book form so is an original story and the third, with a fourth coming out later this year, book in a series. I haven't read the first two but this story is a standalone making it unnecessary. I enjoyed quite a bit though so will back read the first two books. It's an easy read and probably most suitable for the 11 and under crowd. The story is full of action and brings learning moments to the foreground especially about being happy with who you are and not being defined by who your family is.1 of 1 people found the following review helpful. Fun addition to the DC Super Hero High universe of books and graphic novelsBy J. DieterleFun addition to the DC Super Hero High universe of books and graphic novels. It was fun to see the various characters in different groupings and settings at the start of this and then have them all working together in the end. Good references to Greek mythology.I received an electronic review copy of this book from Netgalley in exchange for an honest review.

From the critically acclaimed author Shea Fontana, DC SUPER HERO GIRLS: SUMMER OLYMPUS continues the hit original graphic novel line!Super Hero High is out for summer in the newest original graphic novel featuring your favorite superheroes. It's summertime, which means Wonder Woman has to take her annual trip to visit her dad, Zeus, and this time she's bringing a few of her super-friends along. When the girls arrive at Olympus, it's not long before the family reunion devolves into a family competition and the gods offer Wonder Woman the ability to become "full goddess" to increase her powers, but at the cost of renouncing her life at Super Hero High. Will Wonder Woman refuse the offer? And if she does, might this mean war on Super Hero High? DC SUPER HERO GIRLS: SUMMER OLYMPUS continues to develop the relationships forged in DC SUPER HERO GIRLS: FINALS CRISIS and HITS AND MYTHS, written by Shea Fontana and developed for children ages 6-12. DC Super Hero Girls features DC Comics' most powerful and diverse lineup of female characters as relatable teens, playing out across multiple entertainment content platforms and product categories to create an immersive world. Icons including Wonder Woman, Supergirl, Batgirl, Harley Quinn, Bumblebee, Poison Ivy, Katana and many more make their unprecedented teenage introduction, as each character has her own storyline that explores what teen life is like as a superhero.
