Geoff Johns : DC Universe: Rebirth Deluxe Edition (DC Universe Event) before purchasing it in order to gauge whether or not it would be worth my time, and all praised DC Universe: Rebirth Deluxe Edition (DC Universe Event):

There's no dust jacket (which some people prefer) and this is a larger book. Many of you probably own the hardcover Killing Joke book, you might have

noticed the book's a little taller than your usual hardcopy trade. The Rebirth book is the same size, so the pages are slightly larger for a bit more art. Something to note in case you're not the type to read the description of an item before you buy it: THIS IS JUST THE 80 PAGE COMIC THAT LAUNCHED THE REBIRTH SERIES. THIS CAME OUT IN THE SUMMER IN A NORMAL SINGLE ISSUE COMIC FOR \$4.99. YOU ARE PAYING THE \$8 EXTRA FOR THE DELUXE HARDCOVER EDITION. This is for collectors, not for those that just want to read it and toss it. Just get the Kindle version for a few bucks if you just want to read it. Don't be upset and give a one star rating just because you expected more than the 80 page comic that came out over the summer. Rebirth has been great so far, can't wait to find out more about this mystery! 0 of 0 people found the following review helpful. A really good story and great introduction into this phase of DC's ...By HazelA really good story and great introduction into this phase of DC's history. Very much a Walley West centered story, "DC Universe Rebirth" answers some questions brought forth by the New 52 and creates new ones which will relate to DC's upcoming big event "Doomsday Clock". A really great read. Hardcover book without a cover. It also has thick pages so its not as long as it seems. 1 of 1 people found the following review helpful. Five StarsBy Iragood read
