**Josh Howard : Dead @ 17: The Complete Collection** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead @ 17: The Complete Collection:

0 of 0 people found the following review helpful. Sometimes Dead is BetterBy Larry KingCollecting it all in one go is great, saves in tracking down all the individual trades. It's a fun comic, not too dour even if the subject matter can get grim. Kind of a FHM of supernatural horror comics. If that makes any sense to you. If you enjoy the show Supernatural you may like this, has quite a bit of fanservice but it just fits here.Overall a good read, a great deal, and

pretty slick art.0 of 0 people found the following review helpful. i also liked how I got all series in one hole bookBy markThis comic book was very creative written.i also liked how I got all series in one hole book.0 of 0 people found the following review helpful. Five StarsBy darrie francisCaptivating story mixed with incredible art work! You don't want to miss this!!

Nara Kildays life is that of a typical teenager until the night of her tragic murder! As her best friend Hazy attempts to cope with the senseless tragedy, Naras diary surfaces, revealing her secret struggle with dark, unseen forces. Before Hazy can begin to uncover the truth, she finds herself pulled into an ancient, supernatural conflict that has now spilled over into the physical world. At the center of it all is Nara, miraculously resurrected to new life and a new purpose. With nothing less than the fate of humanity in their hands, Nara and Hazy will face the worst that life and Hell has to offer. Their epic journey will take them beyond our world into the danger and mystery of the next. For the first time ever, all seven volumes of the Dead@17 saga are collected here together in one complete edition.
