MMMM.....Good content, but much shorter than any of the other omnibuses, a lot less content for the dollar in  
comparison to the other omnibus options.6 of 6 people found the following review helpful. For die-hards and  
completists only!By DariaThis massive volume contains Deadpools earliest appearances in X-force and other various

Marvel comics. It is a typical Marvel Omnibus with sturdy binding, high quality glossy pages on solid paperstock and features a nice assortment of issues. However, the stories contained within do not flow since they are not consecutive issues and are more an assortment of the earliest Deadpool stories. This is very much like the Marvel Now Omnibus that featured random first issues that didn't connect to form any sort of larger story. With Deadpools increasing popularity I guess it makes sense to collect all his earliest appearances, most of the other on-going Deadpool issues/stories have been previously collected (i.e the Joe Kelly Omni, the Priest Omni etc.) So this is the next logical choice for collected material. Personally I didn't enjoy this volume as much as I thought I would, I pretty much bought it because I have all the other Deadpool Omnibis and felt I needed this to round out the set. Learn from my mistake; you can most likely skip this volume. Most of this material has already been collected and is a lot cheaper; if you want his first appearance you can most likely pick up the first X-force trade paperback or X-force Omnibus for less money and it would tell a more cohesive story. Still worth a read but not for the price!

The Merc with a Mouth meets the Marvel Universe in this hardcover collecting every one of his appearances before his industry-changing ongoing series -and then some! Deadpool debuts as a thorn in Cable's side, but soon starts rubbing shoulders with heroes everywhere - from Wolverine to Nomad! Hanging with the Heroes for Hire, secreting himself in the Defenders for and battling the Avengers' Black Knight, he's a social animal! But there's still time for solo shenanigans in Deadpool's first two classic miniseries! COLLECTING: NEW MUTANTS 98; X-FORCE 2, 11, 15, 47, 56; NOMAD 4; DEADPOOL: THE CIRCLE CHASE 1-4; SECRET DEFENDERS 15-17; DEADPOOL 1-4; WOLVERINE 88, 154-155; HEROES FOR HIRE 10-11; DEADPOOL TEAMUP 1; MATERIAL FROM AVENGERS 366; SILVER SABLE THE WILD PACK 23; WOLVERINE ANNUAL '95, '99; DEADPOOL CAMEO PAGES
