Daniel Way : Deadpool by Daniel Way: The Complete Collection Volume 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadpool by Daniel Way: The Complete Collection Volume 3:

2 of 2 people found the following review helpful. Deadpool Collection vol 3By vince westLots of adventures. First DP takes on a planet eating planet. He decides a good way to die is making Hulk smash him beyond repair. Great idea but

doesn't workout so good and causes A LOT of destruction. Then DP gets locked into a prison/asylum place in England. With a super strict and mean warden and crazed doctor that falls crazily in love with DP. He has to escape that place and England on a ship. Problem is this ship has many kidnapped girls he has to rescue. When he finally gets to the states there is an Evil Deadpool made up of all parts of him causing incredible trouble. While he fights him Capt. America joins fighting him not knowing there are 2 of him. All sorts of action and craziness. 1 of 1 people found the following review helpful. This one was good, but not as good as previous collections By Matt rooster This one was good, but not as good as previous collections. The Hulk story makes this a must buy for real deadpool fans but some of the other stories seem to drag on a bit, especially the mental ward. Still Danial way deadpool with most of the same artists is still awesome, I really liked this one but didn't love it like the first two collections. The space adventure's story and villian is great also, forgot that one. 0 of 0 people found the following review helpful. Great Gift! By Makayla My partner and I ordered this for his dad's birthday present this year, and he quite enjoyed it! He assured us that the comics were in excellent condition!

Deadpool heads into space to increase his intergalactic cred. Will taking on galactic assassin Macho Gomez and the immense Id the Selfish Moon cement Deadpool as the solar system's best, most ruthless mercenary? Not as far as his "old friends" back on Earth are concerned...Hydra Bob, Big Bertha, Taskmaster and Blind Al all want to claim a piece of his hide! Deadpool flirts with both mortality and sanity as he takes on the incredible Hulk (hoping to die!) and is locked up in an asylum (that could actually help him!) COLLECTING: Deadpool (2008) 32-49, 33.1, 49.1
