It's also really well made great quality. It was packaged very well too by someone who clearly gave a damn whether or not it would arrive in perfect condition (It did).2 of 2 people found the following review helpful. 50 issues to the series plus some extras that will keep you laughing the entire way. 4 of 4 people found the following review helpful. Five Stars By sam lemke Love the artwork! I recommend to any Deadpool fan.

Wade Wilson is Deadpool, the mentally disturbed merc with a mouth and a healing factor that just won't quit! Nathan Summers is Cable, the messianic mutant from the future who plans to save us all - whether we want him to or not! And now, this disparate duo has just become Marvel's oddest couple - because they're stuck with one another! Can two grown men armed to the teeth with high-rech weaponry coexist without driving each other crazy?! It's action, adventure, time travel, dimension-hopping, black humor, black-ops, Bea Arthur, chimichangas - yes, that whole thing started here - and lots of gunfire as two of Marvel's fan-favorite antiheroes take on each other and everyone else! Collecting: Cable Deadpool 1-50, Deadpool/GLI Summer Fun Spectacular, material from Deadpool (2012) 27
