Bosom Buddies ReturnBy AbbygailAs a die hard Cable fan, this really hit the spot. It really brought back the feeling of Cable Deadpool (yes that's the order it was in originally) and had the good ol bosom buddies feel. Fabian Nicieza even threw in a few jabs at us muscly old techno

virus guy fans, which were brilliant. If you like Deadpool or Cable this is a fun book. Get in there and read it already! 0 of 0 people found the following review helpful. Great Story!... But wayyy to shortBy KyleI bought the Deadpool and Cable omnibus and was blown away by the level of story telling, and art work. This little book is definitely a good read, and has an absurd groundhogs day premise. My only issue is that it's way too short. And leaves me wanting more Deadpool and Cable.

Call them a duo with a special kind of dynamics...call them the odd couple but with guns...call them 90s comics distilled down into two characters-DEADPOOL AND CABLE ARE BACK, BABY! That's right-The Merc with the Mouth and the Soldier with the Scowl are together again in this all-new series! When Cable gets a vision of a terrible future set off by the death of one man, he knows he must protect him no matter what! I'll get you three guesses who's been hired to kill that guy. Go on, guess.
