But, come on, this is The

Killogy. It's phenomenal! There's no reason NOT to buy this if you even remotely like Deadpool.0 of 1 people found the following review helpful. A must for any serious Deadpool fan.By SatisfiedDeadpool killing some of the best and brightest. What's not to love??

Wade Wilson stars in a killogy of chaos! It all begins when (spoilers!) Deadpool kills the Marvel Universe! But what could drive another dimension's DP to murderize every other costumed hero and villain on his world? And his bloodlust doesn't stop there. Not when the Ideaverse is full of the fabled icons of classic literature - you know, the ones your parents read about in books. And not when there are multiple realities, harboring infinite mercs with infinite mouths. Before this Wade's work is done, every one of them must be silenced - permanently!
