**Joe Kelly : Deadpool Classic Volume 5** before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadpool Classic Volume 5:

Monty thinks it is ALL the killings he has done and hid conscience. But Deadpool has a "shrink" friend Dr. Bong who has a huge yellow bell for a head. Then we find out Hellhouse is now

owned by T-Ray who is back and brought Deadpool's wife back from the dead to torture Deadpool. We learn all about her and Deadpool before Weapon-X and all that. Bullseye is hired to kill her and him and Deadpool fight. But Deadpool's wife is a tough lady herself. T-Ray has all kinds of torture and mind games for Wade who uses a cartoon to get out of it. In this story we see Wolverine, Lady Death, and Deadpool's time as a Sumo Wrestler, and a mini-Deadpool trying to kill his teacher, a love story, and the usual humor. We learn A LOT about Deadpool's past in this book. 0 of 0 people found the following review helpful.
