Hired by cop to kill mobsters, cops girlfriend falls for Deadpool, cop ends up being crooked and having wife, Deadpool's ex love Copycat comes back to reclaim his love, then he goes after huge reward for two crazed killer twins. All this while trying to fix love life between two very strong willed and killer woman. Next hired to kill the Punisher. Punisher

proves to be way harder to kill than Deadpool thought he would. An awesome battle between them both. As they battle Punisher keeps up his war against criminals and shows how smart he is as well as tough. There is a lot more to this story. Non-stop action. 0 of 0 people found the following review helpful. The Punisher makes an appearance for about 15-20 pages. Other than that, the story line is great. The artwork is fantastic. Definitely recommend for any Deadpool fan.

It's a cruel summer when Deadpool takes on the mob! Hired by a dirty cop to kill six Mafia dons, Deadpool soon falls for his contact, a beautiful tattoo artist. But all is not as it seems. Then, Deadpool gets an unwelcome sidekick, the youthful Pool Boy - but will the partnership kill them both? And Deadpool's shapeshifting ex-girlfriend Copycat returns, insane with jealousy, just as Deadpool must face the maniacal Mercy Sisters! Plus: Blood and bullets fly when Deadpool accepts a contract on the Punisher's life! Guest-starring Deadpool's longtime crush, X-Force's Siryn! It's all-out action as only the Merc With a Mouth can deliver! Collecting DEADPOOL (1997) #46-56 and material from X-MEN UNLIMITED (1993) #28.

From the Author These books were some of the first comics I wrote outside the EVENT titles with Joe Quesada. While the artwork is beautiful, I look back at these and see the learning curve I was dealing with at the time. The first 3-part story was something of a crime story where Deadpool is a hired killer. the last page of the last chapter was changed by marvel comics against my wishes because it had deadpool shooting the person right in the face at the end, so I think the story lost a bit of the impact, but its still a fun story about betrayal.
