Posehn Duggan absolutely crushed this one out of the park! This book is extremely well crafted from top to bottom!! Geart story, Clean beautiful art and genuinely witty dialogue. I cannot overstate how great of a read this is. At no point is there a

lull or decrease in the quality of presentation. The sections which focus on Dracula are just as enjoyable as those with Deadpool Shiklah. As a bonus, we get to see tons of Deadpool's sidekicks! Ben Franklin, Bob, Thunderbolts, etc etc. Throw in A.I.M., Hydra and M.O.D.A.K. and this book is a non-stop Deadpool-palooza! This one had me laughing out loud several times! Pay special attention for a delightfully jovial "Inferno" reference!! Basically, I would encourage anyone to buy this book flat out.....with ZERO hesitation! On a final note, the book itself is beautiful! Marvel does a great job with these Deluxe Hardcover. Highest Possible recommendation!! 1 of 1 people found the following review helpful. Deadppol in love. By Charles Maddox Jr. If you're like me, you were thrown off-guard when Deadpool married Shiklah. This is the origin of their relationship, and it's pretty great. 0 of 0 people found the following review helpful. Deadpool. By m.wallace There's nothing here that you wouldn't expect. Laughs and ridiculousness tumble out of every page. Beautifully animated a great read you will enjoy over and over

Dracula has chosen a bride. She's a succubus queen of the undead, and their union will end eons of conflict in the monster world. Only one problem: He's hired Deadpool to find her! The stakes are high, middling and painfully low as wascally Wade goes all Indiana Jones in a bid to dig up Drac's long-buried intended - battling teleporting assassins, Greek legends and even the vampire hunter Blade! And when Deadpool finally meets the bride-to-be, even he gets cold feet about this unholy matrimony. COLLECTING: DEADPOOL: DRACULA'S GAUNTLET 1-7
