Cullen Bunn : Deadpool Kills Deadpool (Deadpool (Unnumbered)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadpool Kills Deadpool (Deadpool (Unnumbered)):

0 of 0 people found the following review helpful. Thumbs up for more Deadpool - and more Deadpool - and MORE Deadpool!By Sunae.I absolutely loevd this comic. It's full of wacky WTF-ery and good old fashioned, insensible, ridiculous Deadpool fun - with more Deadpool! (And more. And MORE. Pandapool, seriously? Hurrah for a return of Pulp Pool, too!) There were fleeting moments of both meaningful and non-meaningful philosophizing (as Wade is so

inclined to do - all versions of Wade) that broke up the nutty hijinks in just the right way, I was quite engaged by the villain, and the art suited the story perfectly - clean, clean bright, strong colours, strong lines. The art is expressive and fun without being too stylistic, which I think would have made the story too much; as is, Espin's art is a perfect complement. 0 of 0 people found the following review helpful. Amazing book By Devin e An amazing comic, fun action filled and full of fourth wall breaks like any Deadpool fan would expect from one of his gory collections 0 of 0 people found the following review helpful. Deadpool v. Deadpool: Bet on Deadpool By Kindle Customer Best of the Deadpool "kills" series. When Deadpool takes on various other Deadpools you get flowing action, humor from all sides, and a duck, dinosaur, and panda... oh my! It is a killer good time.

The final act of the Deadpool Killology begins! Deadpool sets his sites on the ultimate target...himself! Contains over 700% of your daily recommended Deadpool! COLLECTING: Deadpool Kills Deadpool 1-4

From Booklist Deadpools from multiple realities face off against each other in what might be the quippiest rumble in comic-book history. Lifelong fans of the salty mutant wont need more persuasion than that. For the rest of us, Deadpool Kills Deadpool is the final installment in Bunn and Espin's Deadpool Killology (following Deadpool Kills the Marvel Universe, 2012, and Deadpool Killustrated, 2013). A malicious Deadpool from an alternate reality has decided to wipe all other incarnations from existence (even fan-favorites Kidpool, Dogpool, and the new Pandapool), and the original Deadpool is willing to recruit every other version of himself (all wearing the same outfit, no less) to stop him. Bunn has crafted a funny, edgy, and surprisingly touching saga in his Deadpool run, mastering the ability to break the fourth wall in classic snarky Deadpool style. Espin's art may look flat on the surface, but his ability to show emotion on constantly masked characters is surprising and fresh. Hand to fans of Jason Aarons Wolverine and the X-Men (2012) or Gerry Duggan and Brian Posehns Deadpool: Dead Presidents (2013). --Ben Spanner About the Author Writer Cullen Bunn's first work in comics was with artist collaborator Brian Hurtt on Oni Press's noir/horror comic The Damned and the follow-up series The Damned: Prodigal Sons, and The Sixth Gun. Bunn's early Marvel work included contributions to Immortal Weapons and Deadpool Team-Up, followed by work on miniseries Fear Itself: The Deep, Fear Itself: The Fearless and Deadpool Kills the Marvel Universe. In addition to solo turns on series Wolverine and Captain America and..., Bunn has co-written Captain America with Ed Brubaker and Venom with Rick Remender, whom he later succeeded as writer.
