Duane Swierczynski, Gerry Duggan, Peter David, Cullen Bunn : Deadpool Minibus 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadpool Minibus 2:

2 of 2 people found the following review helpful. Nothing mini about this 'bus! By Daria This book is printed in the standard Marvel oversized hardcover format; nice glossy pages, thick paper stock, sewn binding, all the usual trappings of a high quality Marvel OHC or Omnibus. No surprises in terms of content, most of the stories are standard Deadpool fare with the weakest being Deadpool's Art of War. Most of these stories are lighter in tone and not (quite)

as heavy or violent as other Deadpool adventures. This book is slightly thicker than the last minibus and is a good deal at over 500 pages (albeit not at 's inflated price.) After the unanticipated success of the first Minibus it was inevitable that Marvel print a second volume (with many more likely on the way.) I would recommend this volume for Deadpool completists and die hard collectors like myself since the collected material can largely be skipped over and doesn't do much to expand on the character. Still worth checking out!2 of 2 people found the following review helpful. Just as good as the first!By CustomerWhile personally I liked the storylines of Minibus 1 more. That's all subjective to the reader so I won't say it's worse. But it's put together just as well, and worth a buy for any Deadpool fan.

Back up the minibus, it's time for a second trip into the crazy world of the Deadpool limited series, where anything can happen - and probably will! Everything you knew about Deadpool and Cable was wrong - find out why in a time-hopping showdown with the original X-Force! When Wade crosses paths with the avenging archer Hawkeye, it's merc against marksman! Sun Tzu? Sun who?! DEADPOOL'S ART OF WAR is the only masterwork of military strategy Loki needs to conquer Earth! What's worse than a plague of the walking dead? A plague of walking Deadpools! And three decades after SECRET WARS, discover how Deadpool waged the most secretive warfare of all on the original Battleworld!COLLECTING: DEADPOOL VS. X-FORCE 1-4, HAWKEYE VS. DEADPOOL 0-4, DEADPOOL'S ART OF WAR 1-4, RETURN OF THE LIVING DEADPOOL 1-4, DEADPOOL'S SECRET SECRET WARS 1-4
