of Solo, Slapstick, Foolkiller, Terror, Stingray, and the newest addition, Masacre, the Deadpool of Mexico. So the plot of the story is Deadpool and his Mercs are hired by a secret client to retrieve a box from the Beyond Corporation. However, after hitting a major bump in the road, they end up stuck with the box and its mysterious contents. And what follows is road bump after road bump as Deadpool and company try to figure out what to do with their newly aquired item. Overall the story was really fun, action packed, and very well written. I was never bored for a second. Also included in this book is the "badly translated" one shot story of Masacre, the newest Merc For Money (Marvel originally wrote this story in Spanish, but then later on released this version). Anyway, I highly recommend this book to anyone looking for a fun new read. And I for one also can't wait to read the ongoing series that spun out of this. 2 of 2 people found the following review helpful. **Deadpool Rules!!** By Monstarz Inc. Great intro to Deadpools new gang of Mercs who handle stuff while Deadpool does his avenging. There are some rather obscure villans but ovr the story is pretty action packed and the art is top notch. Also get a small backstory on Mexican Deadpool, whose on the team, which was hilarious and translated poorly(lol). His parts in regular story are in Spanish tho but a must own for Deadpool fans. Looking forward to see where they go with the story 0 of 0 people found the following review helpful. **Written really well!** By Greg M Great story, good laughs. Recommended read for Deadpool fans.

Deadpool might be an Avenger now, but he's also got his own private team of mercenaries...the legally-cleared-to-be-called **MERCS FOR MONEY!** Got a problem you can't solve on your own and a pile of money you'd like to be rid of? Just call Deadpool, Stingray, Massacre, Solo, Foolkiller, Terror and Slapstick and watch as that problem is shot, stabbed, eviscerated, pulverized and generally made bloody! **COLLECTING: Deadpool The Mercs For Money 1-5, Deadpool: Masacre 1**
