Gerry Duggan, Brian Posehn : Deadpool Volume 3: The Good, the Bad and the Ugly (Marvel Now) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadpool Volume 3: The Good, the Bad and the Ugly (Marvel Now):

0 of 0 people found the following review helpful. Dead pool 101 who is deadpoolBy Maria C. RileyIt was cool seeing him team youth wolverine. This comic gives the complete history and backdrop of who the characters dead pool is. Very cool and funny but also dark af near the end0 of 0 people found the following review helpful. War of the sad

clownBy Ian McKeeThe first part of this volume is a funny throwback to the seventies, funny but the joke kind of runs too long in my opinion. The second part is the true reason to buy this. I haven't read the first two volumes, but there was very little that confused me other than who the woman in wades head was. The story itself is heartbreaking, with Wade gaining and losing so much at once. I also liked Wade's interactions with Wolverine and Captain America, especially how both of them refuse to help at first since Wade is considered a joke by the larger hero community. 2 of 2 people found the following review helpful. Deadpool gets more emotion and you get more Deadpool!By S. BrabantTakes a dark turn, pulls you into how Deadpool feels every day, then punches you in the stomach. I won't give away the story away but like most Deadpool readers we read for the funny, the thing we take for granted is how tragic Deadpool's story really is how guilt ridden he is about almost everything he does. This story brings you close to what he hides so you can go into the next comic really appreciating the jokes and the man behind the mask.

Deadpool hits the streets with Power Man Iron Fist!COLLECTING: Deadpool 13-19
