Gerry Duggan, Brian Posehn, Fabian Nicieza, Mark Waid, Joe Kelly, Daniel Way : Deadpool Volume 5: Wedding of Deadpool (Marvel Now) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadpool Volume 5: Wedding of Deadpool (Marvel Now):

had read the Deadpool Dracula issue before this volume, otherwise I would have been lost. The tie-in stories and Hitler were okay, but nothing in this volume is MUST-READ like prior volumes. If you love the series, buy it and read it. If you are just a Deadpool tourist, read the articles about these issues and move on. This is Diet Deadpool. It tastes similar but is missing the sugary calories we all love. 3 of 4 people found the following review helpful. Deadpool vol 5: Wedding of Deadpool By vince west Deadpool is getting married to a Dracula named Shiklah. She was actually about to marry Dracula until she met Deadpool. She is a queen of the underworld with monster abilities and strength. Deadpool's wedding involves every hero and some bad guys he and her know. But of course Deadpool's enemies do not want him to be happy. His bachelor party gets WAY out of control. And he recalls all the times he may or may not have gotten married before. Surprisingly none went off easy. And of course his honeymoon to Japan goes as you'd expect fighting ninja's, giant monsters, Yakuza, dirty police, and a weaker hero Sunfire. You get to see his new wife's powers and abilities. Next we see him help fight Hitler who gets ahold of a time machine and tries to kill Nick Fury with guest appearance by Cable. And finally his adventure against healing bad guy Madcap. A very fast paced book. 1 of 1 people found the following review helpful. keep reading deadpool but go ahead and skip this one By oliver williamsi love almost all the deadpool comics but this one is a compilation of him in different love/wedding stories - it gets bland pretty quick

The day you never dreamed would come has finally arrived: Deadpool is getting married! But to whom?! Tune in to find out as Deadpool and his mysterious bride tie the knot! And to celebrate this magical occasion, we've rounded up every single writer who ever penned Wade's series to contribute new stories! But when Deadpool and his bride honeymoon in Japan, will married life agree with our mouthy merc? Or will he start doing the "take my wife, please" joke all the time? Plus: another Deadpool flashback tale, as Wade travels to the 1950s to save Nick Fury from the menace of - time-traveling Hitler! And Madcap teams up (sort of) with Deadpool to answer the burning question. "Whatever happened to the white caption boxes?" Featuring Thor, Daredevil, Luke Cage and more! Collecting DEADPOOL (2012) #26-28 and DEADPOOL ANNUAL (2013) #1.
