But the biggest, darkest twist occurred at the end, and it honestly left me stunned. I highly recommend this book. 2 of 3 people found the following review

Deadpool goes in the past to get Dazzler to help him fight the vampires. She is not the smartest but is cute with sun power. All while this is going on agent Preston and her new robot body find DP's daughter alive and well except being hunted by DP's enemies. Deadpool will not allowed any harm to her. So they all fight everyone all over the place and we see DP's wife's fighting ability. We see pieces of DP's past too. Then we get a strange story with Sabretooth and DP working together sort of. 0 of 0 people found the following review helpful. Best Deadpool yet By DAVID P ROSE Yet=Up to what Ive read. Deadpool has fun, gets serious, and has a new facet of his psyche explored (well, not NEW new). Great stuff. Well paced. Just remember kids, this book is and shall remain rated R.
