Marvel Comics : Deadpool vs. The Punisher before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadpool vs. The Punisher:

Great read!By YannyvideosIf you like either of the characters they will play off the other one and you will fall in love with them. Cesspool brings the comedy to the punishers oh so serious attitude and what you are left with is comic gold. You won't be disappointed.2 of 2 people

It's the Merc with a Mouth vs. the One-Man Army! When a man known simply as the Bank hires Deadpool to kill Frank Castle, it should be a simple task for Wade Wilson to execute, right? Except taking out the Punisher is a lot harder than Deadpool could have anticipated--especially since he likes the Punisher. A straightforward job becomes a knock-down-drag-out fight as they trade shot for shot. But things get complicated when the mercenary and the merciless Castle wind up embroiled in a bigger, messier conflict with the Bank front and center. The bloody and brutal fight never ceases regardless of what side Wade and Frank are on, even when it's seemingly the same side--just because they have a common enemy doesn't make them partners in crime. To the victor belong the spoils, but is there a clear winner here? COLLECTING: Deadpool vs. The Punisher 1-5
