entertaining as hell. Wish it were just a bit longer though! 1 of 1 people found the following review helpful. Temporary Insanity Deadpool Style By Clarence A. Dillard, Jr. A not-so-scrupulous accountant has crossed too many players of Manhattan's underbelly. Seeking protection and sanctuary, the money-man (and his laptop full of incriminating evidence) goes straight to the top for help- DEADPOOL! But these crooks aren't willing to blink and they've brought in a heavy hitter to take in the turncoat accountant- Typhoid Mary!! Enter the wildest team-up and the first (and probably only) single issue multi-issue crossover in comics history. Guest-starring Daredevil, Power-Man, Iron Fist and most of the sanitation crew at Fresh Kills landfill! Then things get supernatural when a horde of inter-dimensional beings invades Deadpool's wife Shiklah's subterranean kingdom. This Last Days of Magic tie-in will shock long-time Deadpool fans and looks to change the game for the Merc With A Mouth for some time to come. The first storyline was classic Deadpool! It's crazy funny and a shining moment in an era of Marvel that's been sub-par at best. But why does Gerry Duggan, along with writers Charles Soule and David Walker insist on making Wade Wilson such a tragic character!? He's much better when he's funny and surreal than a homicidal version of Charlie Brown. That's why I buy the book- fun and games not going down in flames...

**DEADPOOL! DAREDEVIL! POWER MAN IRON FIST!** When Deadpool stumbles into a gang war that's targeting new Assistant District Attorney Matt Murdock, the battle winds up catching the eye (and fists) of Luke Cage and Danny Rand, master of the Iron Fist! A mega-violent, street-level, face-punching, gut-busting, kung-fuing, ninjitsuing crime story guaranteed to knock your teeth out! Bringing together the writers of the DEADPOOL, DAREDEVIL, and POWER MAN IRON FIST series: Gerry Duggan, Charles Soule, and David Walker!**COLLECTING:** Deadpool 13, Deadpool: Last Days of Magic
