**Charles Soule, Jeff Lemire : Death of X** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Death of X:

1 of 1 people found the following review helpful. Great story. Quick and well paced By massputin This has the makings of an instant classic. Plot and characters are woven seamlessly into a great prelude to what could shape up to be a great event. 0 of 0 people found the following review helpful. 3rd times a charm... By Moradth Black Bolt has released the Terrigen cloud upon Earth to awaken all the Inhumans. Cyclops finds out that the cloud is poison to mutants. As

mutants die, Cyclops devises a drastic plan to stop the Inhuman threat. The end is shocking. 1 of 1 people found the following review helpful. prologue inhumans vs x-men By eric booth great way to start a war and diversity between mutants and inhumans

What happened eight months ago that set the Inhumans and X-Men on a collision course? Find out here! The Inhumans travel to Japan where one of the Terrigen Clouds creates a shocking new Inhuman. The X-Men travel to Muir Island where the second Terrigen Cloud causes something truly terrible. When these two events collide a war of catastrophic proportions explodes! COLLECTING: Death of X 1-4
