Tony Daniel : Deathstroke Vol. 1: Gods of Wars (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deathstroke Vol. 1: Gods of Wars (The New 52):

1 of 1 people found the following review helpful. Better than I would have expected.By MrChamberlainI liked this book more than I thought I would. I was waiting to be disappointed and just was not. If you are looking for an entry

into the somewhat sparse collection of material centered on Slade Wilson this is a decent place to start. There are a few bits of context and history which I seem to be missing, but not so much that it handcuffs the narrative. The villain and their motivations are a tad derivative, but the relationship between the villain and the main character sort of hides that and makes it slightly more interesting. It is great to see a side of Slade Wilson most of us have never seen before and view him battling back foes rather than being the aggressor. 3 of 3 people found the following review helpful. This book is beautifully drawn and a really fun read. By FIG This book is beautifully drawn and a really fun read....the art is so good that I keep going back to it. 3 of 3 people found the following review helpful. Another great DC book. By David Tolosa Excellent read! I'm used to reading Batman. Reading Deathstroke was a change of pace given the gore factor. I enjoyed the story and the art was great! Looking forward to Vol. 2

Slade Wilson is the world's deadliest assassin. His reputation doesn't just precede him, it's his most important asset. So when Slade is betrayed by his trusted friend and handler and left for dead, the world thinks Deathstroke has finally been terminated. Slade's most valuable possession has been taken from him. Now, the world's deadliest assassin has awoken with a completely different face and a completely new mission: find the man who arranged for his death, and who is building an army that will threaten every nation on Earth. Find Odysseus. But as Slade hunts Odysseus, Odysseus hunts the one man who will unlock his ultimate power and ultimate victory. And all three have one thing in common—a shared history that could destroy Deathstroke's new life before he even has a chance to build it! Writer/artist Tony Daniel (DETECTIVE COMICS) carves a new path for the DC Universe's deadliest killer and newest hero? DEATHSTROKE: GODS OF WAR collects issues #1-6.

About the Author Tony S. Daniel decided to be a comics artist in the eighth grade, and he hasn't looked back since. After making his professional debut in 1993 on Comico's *The Elementals*, he has contributed to Marvel's *X-Force* and Image's *Spawn: Bloodfeud* as well as writing and illustrating his own titles *Silke*, *The Tenth* and *F5*, which led him into work in Hollywood. After being lured back into comics to work with writer Geoff Johns on *TEEN TITANS*, Daniel went on to draw *THE FLASH* before landing his dream job pencilling *BATMAN*. The Batcave is, he reports, surprisingly cozy.
