I wish they would release mor from her.0 of 0 people found the following review helpful. GreatBy JasmineThis manga is one of the most fantastic mangas that I have already read from the manga painter. Her manga usually fill with sexy dreams from teenage girls and simple plots. But this one is

not as simple as it used to: The painting and color looks beautiful, some plots are very funny, and some stories are very moving. I recommend this manga to people who want relax. 1 of 1 people found the following review helpful. A great supernatural read! By J.C. Alexander This book was a great read. I really enjoyed it because it contained three of my favorite elements for manga. It was supernatural, romantic, and it was full of action which I really like when I read manga. If you like having a strong supernatural theme in manga, then this is the book for you. I would recommend this manga and the series for people 16yrs and older. It does contain adult themes, but it is not overly sexual to the point where older teenagers cannot read it.

A supernatural romance by the creator of Ai Ore! and Sensual Phrase Miko is a shrine maiden who has never had much success at seeing or banishing spirits. Then she meets Kagura, a sexy demon who feeds off women's feelings of passion and love. Kagura's insatiable appetite has left many girls at school brokenhearted, so Miko casts a spell to seal his powers. Surprisingly the spell works sort of but now Kagura is after her! Shrine maiden Miko has sealed the powers of the sexy incubus Kagura, who has vowed to protect her. An incubus even more handsome than Kagura comes to take him to task for not using his powers on Miko. Miko finds herself succumbing immediately to the spell of this powerful demon who turns out to be Kagura's father?! Reads R to L (Japanese Style) for teen plus audiences.
