following review helpful. Great story, great charactersBy Mary ManningI've loved this manga since the first volume, because it has a smart, strong heroine who doesn't feel sorry for herself, despite having a pretty rough life. So far, good for young girls, no sex scenes but a lot of examples of being able to take care of herself; she doesn't always depend on the hero. Funny, engaging, and containing a little mystery, a good read about good people who work together to right some wrongs and support each other.0 of 0 people found the following review helpful. failed to downloadBy SunBook failed to download (only received title page).
