**Kyousuke Motomi : Dengeki Daisy , Vol. 16** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dengeki Daisy , Vol. 16:

2 of 2 people found the following review helpful. Ending was EH, but the rest of the story was AMAZING. (Bonus stories in this volume are worth the purchase)By S. GanterI am not sure if I am disappointed by the ending of this manga series or not. . . but overall this story is really amazing and one of the only shoujo mangas that I have enjoyed in a very long time. I wish they'd make this an anime, but then again--they'd probably just mess it up :).The character

development in Dengeki Daisy is phenomenal and I still can't get over the fact that they actually explained the difference between a cracker and a hacker in one of the earlier volumes. I was so happy when I was reading it and the note was there about the difference. I get tired of people who don't understand that hacking isn't a bad thing--and I'm glad this manga shed light on that concept. The bonus stories in this volume are also spectacular, I really enjoyed reading them and I'm glad they were included in the book. These were probably my favorite part of the entire volume!. . . and on a final note, what girl reading this can't help but fall in love with Kurosaki? :P 0 of 0 people found the following review helpful. great buy By Green eggs and ham If you have a child that loves Anime then this is the series for you. It will be hard to beat the price anywhere else. The books were pristine and came quickly. My daughter absolutely loves this series and we could not have been happier with the company. The books are beautiful and have a great story. The price may seem high but is average for Anime. 0 of 0 people found the following review helpful. Good story, but more closure would have been nice. By FooFooCuddlyPoops I didn't realize this was the concluding chapter of the manga. It was a good story, and I'm actually somewhat glad it ended because it was starting to drag a bit. That said, I would have liked some more closure with the ending, or a jump in time.

After orphan Teru Kurebayashi loses her beloved older brother, she finds solace in the messages she exchanges with DAISY, an enigmatic figure who can only be reached through the cell phone her brother left her. Meanwhile, mysterious Tasuku Kurosaki always seems to be around whenever Teru needs help. Could DAISY be a lot closer than Teru thinks? Kurosaki and Teru risk their lives to activate "M's Last Testament," but a huge explosion goes off on the uninhabited island they're on! What is the fate of Kurosaki, Teru and Akira?! The series comes to a conclusion, followed by bonus material and two Dengeki Daisy special chapters (one of which includes Teru's late brother, Soichiro)!

About the Author Born on August 1, Kyouzuke Motomi debuted in Deluxe Betsucomi with Hetakuso Kyupiddo (No Good Cupid) in 2002. She is the creator of Otokomae! Biizu Kurabu (Handsome! Beads Club), and her latest work Dengeki Daisy is currently being serialized in Betsucomi. Motomi enjoys sleeping, tea ceremonies, and reading Haruki Murakami.
