Kyousuke Motomi : Dengeki Daisy , Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Dengeki Daisy , Vol. 2:

0 of 0 people found the following review helpful. Another Delightful Volume in a Sweet Story of Love and AdventureBy Jessica SI cannot praise this series enough. It is so touching, with emotional and deep moments sandwiched between cute and hilarious scenes. Some people get sick of the "Go Bald!" line, but for some reason, I didn't find it funny at first, but the more the line was used, the funnier it got for me. I suppose it is because it is

endearing, as it's Teru's go-to expression every time she is exasperated with Kurosaki, and it's a line she uses only with him. The author mentions in her side notes that Kurosaki's amazing hair is a huge pain to draw, so she constantly wishes he would go bald when she is pressed for a deadline and has to keep spending so much time on all that hair. It makes it that much funnier. Anyway, that's an example of some of the silly and delightful humor. It's light-hearted. The romance, in official terms, moves very slowly, but it doesn't drive me crazy like other shoujo mangas. The reason for that is that the relationship progresses in so many ways without them confessing to each other or kissing. They get closer and closer, and their relationship is not only profound, but there is no question whatsoever that they are more than friends. They are so tender, caring, and affectionate with each other. Honestly, kissing is nice, but cuddling and hugging is some of the most special interactions with someone you love. The age difference is skirting on the edges of taboo, yet the story maintains a refreshing level of innocence and respectful boundaries. In this volume, the adventure, sweet moments, suspense, and hilarity continue. I thoroughly enjoyed it, and I hope you will too. 4 of 4 people found the following review helpful. Perfect addition

By Jessie Potts This is the author of *Beast Master*, which by the way is a fantastic two volume series. Like *Beast Master* and the first volume of *Dengeki Daisy* volume two is plot filled and action packed. Unlike *Vampire Knight* and other popular mangas (I know I love VK!) there never seems to be a dull volume, each is filled to the brim with happenings, plots, romances and fights! I love that. In this volume Daisy is having a harder and harder time keeping his identity a secret after Teru's apartment was trashed... they're now living together. This volume was special because we get to see more into Daisy and Teru's brother's past. We meet the brother's fianc, as well as the why Daisy was assigned the task of protecting Teru. The best part? Teru is realizing more and more how inlove she is with that horrible, slave driving demon of a custodian. She knows the man she loves is bad for her, she knows he's mean and irritating, but something draws her in, so much that she loves him more than Daisy. I can only hope that she is as forgiving when she finds out Daisy's identity. So far I believe has listed volumes 3 and 4 on their site and in the third one she discovers Daisy's identity. If you are looking for a nice slice of life romance complete with crackers and hackers then this is not going to disappoint. The drawn facial expressions are also beautiful and make the manga worth it for that alone. 0 of 0 people found the following review helpful. The manga was in good condition upon arrival and did not possess any scratches ...

By Mel The story is so interesting! The manga was in good condition upon arrival and did not possess any scratches or indents. Thank you so much!

A pure love story from the creator of *Beast Master*! Reads R to L (Japanese Style), for T+ audiences. When Teru's home gets burglarized, she ends up staying at Kurosaki's apartment. The close quarters lead to tension, but things get even more complicated when a woman named Riko Onizuka shows up, bringing up a past that involves Kurosaki

About the Author Born on August 1st (a Leo!), Kyousuke Motomi debuted in *Deluxe Betsucomi* with *Hetakuso Kyupiddo* (No Good Cupid) in 2002. She is the creator of *Otokomae! Biizu Kurabu* (Handsome! Beads Club), and her latest work *Dengeki Daisy* is currently being serialized in *Betsucomi*. Motomi enjoys sleeping, tea ceremonies, and reading Haruki Murakami.
