It has some of the most tender moments in the series and for once, the humor does take a back seat to the romance. Of course, it's still a very funny and fun series, with Teru constantly lambasting Kurosaki and Kurosaki giving it right back. It's one of the strengths of the series that both

characters are equally strong in their own way - and hold their own against/with each other. Unlike many other Shoujo, Teru is still just as strong as when the series began. And because of that quiet strength, we can understand why Kurosaki is so attracted to her. A great volume in a great series! 0 of 0 people found the following review helpful. great buy By Green eggs and ham If you have a child that loves Anime then this is the series for you. It will be hard to beat the price anywhere else. The books were pristine and came quickly. My daughter absolutely loves this series and we could not have been happier with the company. The books are beautiful and have a great story. The price may seem high but is average for Anime. 0 of 0 people found the following review helpful.
