Jeff Lemire : Descender Volume 2: Machine Moon before purchasing it in order to gage whether or not it would be worth my time, and all praised Descender Volume 2: Machine Moon:

7 of 8 people found the following review helpful. Descender continues to be excellent in every way, shape or form. By RPHonestly, I've never been a very big comics guy. I just happened to stumble on a review of this comic when it first came out and decided on a whim to get it, because it had so many SF themes and elements I really love. What I really like about it is it's something in between a space opera and more serious sci fi fare. There's great writing, spectacular (mind-blowing!) art, and the only thing I don't like about Volume 2 is the fact that the writer and artist are taking a month-long break every time a new volume comes out on print -- and I want to know what happens next! All kidding aside, if a series like this can grab a person like me who doesn't normally read graphic novels or comics, I think many, many people should check it out. This is fantastic work and deserves every sale and piece of recognition it gets, and the price is a steal for six chapters of story, every bit filled with stunning art, great characters, beautiful worlds and fantastic writing. So, give it a shot!

1 of 1 people found the following review helpful. Considering my love for science fiction movies and video games By SzechuanSasha Considering my love for science fiction movies and video games, I have seen many tropes throughout the years. I find our main character Tim to be endearing and you're rooting for his safety and happiness the whole way through. I loved the introduction of the new characters which helped fix some of the Mass Effect like story I read during the first tradeback. I am very much looking forward to the rest of this story. Jeff is a phenomenal writer! The water color art really wins me over. As a fan of Battle Angel Alita, this reminds of that story in some ways.

1 of 1 people found the following review helpful. I'm in this series until the end, without doubt! By Hexanoval don't read many graphic novels as I prefer straight up science fiction and/or space opera to superheroes. Descender delivers on every level! Great characters, excellent story/writing, lots of mystery, killer world building, and wonderful art. It's one of the few graphic novels where I feel I've gotten my money's worth, as they tend to be pretty pricey. I'm in this series until the end, without doubt! Well worth it!

Young Robot boy TIM-21 and his companions struggle to stay alive in a universe where all androids have been outlawed and bounty hunters lurk on every planet. Written by award-winning creator, Jeff Lemire, Descender is a rip-roaring and heart-felt cosmic odyssey. Lemire pits humanity against machine, and world against world, to create a sprawling epic. Collecting issues #1-6 of Jeff Lemire (Sweet Tooth, Trillium) and Dustin Nguyen's (Little Gotham) critically acclaimed, bestselling new science fiction series! "New York Times Bestselling author Jeff Lemire has built a unique career as both the writer and artist of acclaimed literary graphic novels like Essex County, The Underwater Welder, Sweet Tooth and Trillium and also as one of the most popular writers of mainstream superhero comics with acclaimed runs on such titles as Green Arrow, Animal Man, Justice League and Hawkeye for Marvel and DC Comics. Current projects include the original graphic novel ROUGHNECK to be published by Simon and Schuster in 2016, as well as the science fiction series DESCENDER with Dustin Nguyen and A.D. with Scott Snyder. In 2008 and in 2013 Jeff won the Schuster Award for Best Canadian Cartoonist. He has also received The Doug Wright Award for Best Emerging Talent and the American Library Association's prestigious Alex Award, recognizing books for adults with specific teen appeal. He has also been nominated for 8 Eisner awards, 7 Harvey Awards and 8 Shuster Awards. In 2010 Essex County became the first graphic novel to be included in the prestigious Canada Reads contest making it to the final five and winning the people's choice vote as best Canadian novel of the decade. He lives in Toronto with his wife and son.

ENTERTAINMENT WEEKLY - "Your new sci-fi obsession is here, and its name is Descender..."
