Great Story Line for a Anime Romance Novel !!!By J.R.Romance with both Music and Pain, Love how this story is heading!!!Romance with both Music and Pain, Love how this story is heading!!!0 of 0 people found the

following review helpful. Very goodBy Jude~4/5[More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]You guys, theres only two more volumes in this series. Its going to be over in February. How is it so close to the end already?! I dont understand.I love seeing Maria grow and find out more about herself and her past. Its so exciting, and horrible, and good for her.Im not going to go into detail, because a lot happened in this book. There was a big internal fight for her to go through because of a few things that she found out, and its so hard to see her upset and angry, but shes coming out of it better, and thats good. We found out a lot about Maria and her parents and grandparents in this volume, as well as a surprise with Kurosu that I was really not expecting. There was also some development with Shin and Maria. At this point, Im not really sure how I feel about them, especially since it seems like Shin isnt really listening to her, or is trying to shelter her, when its not his say what she knows or doesnt know. Maybe I just want more Yusuke? I dont know.I love Maria. I just want her to mature and be happy.Anyway. I want the next volume, and can't wait for it to get here.

A moving coming-of-age story that showcases a fierce, dynamic heroine who speaks her mind.Meet Maria Kawaishes gorgeous and whip-smart, a girl who seems to have it all. But when she unleashes her sharp tongue, its no wonder some consider her to be the very devil! Marias difficult ways even get her kicked out of an elite school, but this particular fall may actually turn out to be her saving grace... Maria finally gets to be with her beloved Shin, but her mysterious inability to speak continues to haunt her. Because the cause may be related to her past, she decides to go to Yokosuka, the town she grew up in. What life-changing surprises await her there? Reads R to L (Japanese Style) for teen audiences.

About the AuthorMiyoshi Tomori made her debut as a manga creator in 2001, and her previous titles include Hatsukare (First Boyfriend), Tongari Root (Square Root), and Brass Love!!
