Miyoshi Tomori : Devil and Her Love Song, Vol. 13 (A Devil and Her Love Song) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Devil and Her Love Song, Vol. 13 (A Devil and Her Love Song):

2 of 2 people found the following review helpful. Final Volume By kakurenbo The series ended with a whimper, rather than bang, but it was a very appropriate ending. The final volume comes full circle and reminds the reader of what Maria has learned over the course of the series, and how she has changed. Loose ends are tied up, and everyone gets a happy ending. Overall I really enjoyed this series, but it felt too drawn out, too long. 0 of 0 people found the following

review helpful. The series was good up till the endBy Matthew GashwytewaThe series was good up till the end. For such an emotional manga, I expected a better ending. It was too rushed and I'm sorry but shojo manga are suppose to end with the girl and guy over coming all problems and being together. The ending could have worked out better if they made it more emotional to fit the rest of the story. The last book I give it an OK. If you have all the others you might as well get this one just to see how it ends.0 of 0 people found the following review helpful. The Last Book!!!!By KaylaI am so excited. I haven't read this yet, since i have been so busy and have 5 books before this volume still waiting to be read as well, but this is such a great story about heart ache and the struggle of teens. This is family appropriate in my eyes and something anyone can enjoy.

Meet Maria Kawaishes gorgeous and whip-smart, a girl who seems to have it all. But when she unleashes her sharp tongue, its no wonder some consider her to be the very devil! Marias difficult ways even get her kicked out of an elite school, but this particular fall may actually turn out to be her saving grace... Marias boyfriend, Shin, is living abroad, and Maria is uncertain about their future together. With the end of high school fast approaching, she faces some tough decisions. Her friends encourage her to keep singing, but will Shin respond to this devils love song? Final Volume! Reads R to L (Japanese Style) for teen audiences.

About the AuthorMiyoshi Tomori made her debut as a manga creator in 2001, and her previous titles include Hatsukare (First Boyfriend), Tongari Root (Square Root), and Brass Love!!
