Mind Blowing Fun Kirby ConceptBy thirtdwinOne of Kirbys most amusing ideas all captured under one cover for your enjoyment- this character is still used today even in animated form. It's a really fun read- especially for Kirby fans. Complete for the time and highly recommended. It's a...sentient..dinosaur!1 of 1 people found the following review helpful. Maybe would have been better on newsprintBy

Michael Dubisch If only there were an effort to make it print properly. Maybe would have been better on newsprint? 3 of 4 people found the following review helpful. "...and thus endeth the Chronicle..." By N. Durham Jack Kirby is undoubtedly one of the most revered creators of all time in the realm of comic book history, and while his Devil Dinosaur series may not have been as impacting or influential as a majority of his other creations, it is a nevertheless wild and fun trip. Starring Moon-Boy and his red-skinned companion of which the comic gets its name, Devil Dinosaur lasted only nine issues, but stands as one of Kirby's most enjoyable endeavors. Thrill to the adventures that Moon-Boy and Devil embark on as they trek across the dangerous prehistoric landscape getting into all sorts of adventures, culminating in a ride into the sunset. The storytelling may be deceptively simple, but Kirby's artwork remains a spectacular portrait of an artist and creator at his absolute finest. All in all, the Devil Dinosaur Omnibus may not feature the King's most influential and important work, but it is a fun and often thrilling ride while it lasts that readers old and new will enjoy.

Devil Dinosaur was one of Jack "King" Kirby's final Marvel projects, an enchanting and creative fable starring the crafty crimson carnivore and his faithful sidekick Moon Boy...brothers bonded by an uncommon spark of curiosity about their world! On their travels, Devil and Moon Boy are beset by dinosaurs of all shapes and sizes, from triceratops and pterodactyls to tyrannosaurus rex...not to mention giant spiders, armies of enormous ants, and even aliens from outer space! And don't forget the Small Folk, led by the warlord Seven Scars, who rejected Moon Boy for befriending the fearsome Devil and who aim to dominate the forest by force! But in the end, what wins the day is Devil and Moon Boy's courage, friendship and fierce loyalty to each other! Relive Kirby's most offbeat saga ever in its prehistoric prime!
