Joshua Hale Fialkov : Devilers (The Devilers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Devilers (The Devilers):

When the world is under siege from the pits of Hell, it's up to The Devilers to set things right! Seven of the world's

greatest exorcists, representing many faiths but united by common resolve, are called to the burning Vatican. As rescue workers attempt to contain the city-wide inferno, only the truly devout stand witness to the demon army marching among the flames. The Devilers, each armed with a unique and fearsome ability to combat the fiendish invaders, must battle their way through the City of the Damned to confront the true evil at its core... but one among their number holds a terrible secret that might be their undoing! Reviews: "Devilers has a way of grabbing you and keeping you reading until the final page... This isn't just a book you'll want to pick up, it's one you'll want on your pull list." - Comic Vine "With a thoughtful plot, interesting and well-developed characters, and beautiful artwork, this is rapidly becoming a favorite horror comic because the creative team has succeeded on many levels." - ComicWow!
