Matt Kindt : Divinity III: Stalinverse before purchasing it in order to gage whether or not it would be worth my time, and all praised Divinity III: Stalinverse:

3 of 3 people found the following review helpful. A mostly good story with all great artBy Wayne A McCoy'Divinity III: Stalinverse' by Matt Kindt with art by Trevor Hairsine is a cool take on an alternate history and what some are willing to do to set things right.If you're new to this series, this isn't the best place to start. A powerful godlike being has messed up history. What has now happened is that during World War II, Russia took over Europe. It's now 2017

and the Americas have been Soviet colonies since 1995. A man named Colin King suspects that this is not the way things are supposed to be. He visits a man named Abram Adams who may be able to help set things right. The only problem is that Abram is in a psychiatric hospital. The art is just great. I loved the way this book looked. The covers are some of the best I've seen. This is a 4 issue story arc, and it builds really nicely, but the ending felt like a bit of a let down. I am giving this 4 stars for a mostly good story and all good art. I received a review copy of this graphic novel from Valiant Entertainment, Diamond Book Distributors, and NetGalley in exchange for an honest review. Thank you for allowing me to review this graphic novel. 1 of 5 people found the following review helpful. Five Stars By Gregory StoneGood

Earth has a new god. The world you know is gone. Welcome to the Stalinverse, comrade. Welcome to the year 2017 where the Soviet Union has spent decades as the world's reigning superpower and the Iron Curtain now encircles a planet riddled with war, strife, and oppression. Freedom is a thing of the past in the Stalinverse. So why can't Russian intelligence officer Colin King shake the feeling that something has gone terribly wrong? Hell put his freedom and life on the line to uncover the truth. Even if that means finding out whatever happened to the long-missing cosmonaut Abram Adams, the one man who just might hold the key to unraveling the dystopian world of today. New York Times best-selling writer Matt Kindt (4001 A.D.) and blockbuster artist Trevor Hairsine (DIVINITY II) bring you the Valiant Universe like you've never seen it before! Collecting DIVINITY III #14.
