Brian Wood : DMZ: The Deluxe Edition, Book Four (Dmz (Deluxe)) before purchasing it in order to gage whether or not it would be worth my time, and all praised DMZ: The Deluxe Edition, Book Four (Dmz (Deluxe)):

0 of 0 people found the following review helpful. Fantastic Series...By Miguel CuevasI know I'm late but: DMZ is one of the most amazing and relevant pieces of fiction I've ever read. It asks crazy questions and presents the answers in plausible and unsettling ways.Is it possible for America to have a 2nd Civil War? What if the front line to this war was a post 9/11 New York City? What would an imbedded journalist witness?No super-heroes here. Just a gritty

documentary-style graphic novel with great characterization and art. I've read the entire series and can not recommend it enough. 0 of 1 people found the following review helpful. Great series! Can't wait for the 5th book! By J. Lucio
Great series! Can't wait for the 5th book! 0 of 1 people found the following review helpful. Five Stars By Customer
Excelent

New York City... otherwise known as the no mans land in this second American civil war. Cut off from his support system and family, rookie journalist Matty Roth remains the lone voice for those left behind in the worlds most dangerous war zone. Instead embracing a once-in-a-lifetime opportunity to document the city under siege with a classic journalists objectivity, Matty Roth has allowed himself to blur the lines to the point of no return, to fall in with politicians and opportunists, warlords and mercenaries. Having helped secure an election and fund an army, he commits perhaps the worst offense to date: trafficking in WMD on behalf of the newly elected Delgado regime. Brian Wood and artist Riccardo Burchielli's DMZ, one of Vertigo Comics longest-running series, continues its blistering look at politically motivated war in what Popmatters states reads like a journalistic document, and actress/writer Felicia Day says is amazing and has poignant analogies to our current political climate. Thought provoking and engrossing. Joined by guest artists Cliff Chiang, David Lapham, Danijel Zvezelj, Andrea Mutti, and Nathan Fox, DMZ: THE DELUXE EDITION BOOK FOUR collects issues #45-59 in the penultimate chapter of this critically acclaimed series.

"...reflects the anxieties of many living in the world today and continues the kind of mature storytelling Vertigo thrives on." -- Publishers Weekly
"Wood and Burchielli gut-wrenchingly portray the chaotic reality of life in a war zone." -- Washington Post
"If residents of Manhattan often feel at odds with the rest of the country, the comic book series DMZ magnifies that anxiety with its radical premise." -- The New York Times
About the Author
Brian Wood developed his skills as a comics writer and designer while working a string of internet design jobs. Since then he has created a series of successful comics and graphic novels, most notably DMZ, DEMO, NORTHLANDERS, Channel Zero and The Couriers. In addition to earning him international acclaim, these projects have also resulted in four Eisner award nominations. Brian was also a designer for the video game franchise series Grand Theft Auto for Rockstar Games.
