With all his allegiances wiped away by the mistakes he's made, embedded journalist Matty Roth watches as the Free States of America and the US wage civil war on the island of Manhattan - also known as the DMZ. As Matty covers the battles on the ground, old allies and enemies resurface and Matty must prove that after all he's been through that he is a changed man. Will the choices he makes reflect this?Collects issues #60-66
