Various : Doctor Who: The Dangerous Book of Monsters before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Who: The Dangerous Book of Monsters:

1 of 1 people found the following review helpful. Great buy!By megan valanceThis book is really cool. It's not something you would sit down and read like a novel but it is a nice "coffee table book" as we like to call them. A lot of information and I love that it doesn't just have the stuff from the new seasons but a lot of things from the old season. I love looking through it and remembering the episodes each 'monster' came from. It's a really nice quality and has a

He likes how it's from the Doctors' perspective.0 of 0 people found the following review helpful. A guide to the vast rouge's gallery of Doctor Who.By Rose TylerWhile this book does not nessecarily have every monster that had appeared in Doctor Who, it's got ALOT of them, from Daleks to Wispermen. Even The Master and Missy! Great simple reference for Doctor Who monsters, especially of the New Who era, although it does talk about a few classic Who villains as well. It even features the Graske from Doctor Who Prom movie "Music of The Spheres."

In his travels across time and space, the Doctor has met hundreds of monsters now, he's created this handy spotter's guide to the biggest, smallest, tallest, hungriest, smelliest, and most dangerous creatures in the Whoniverse! In this fantastic companion guide to How To Be A Time Lord, the Twelfth Doctor reveals, in tips and doodles, everything you need to know about each dangerous monster, advice for battling them, and how and when to make a speedy escape.

About the AuthorBBC Books is the publisher of choice for titles relating to BBC programmes and personalities. One of the UK's leading non-fiction imprints, BBC Books has had particular success in the food and drink, gardening, history, natural history and travel genres. Amongst our authors are some of Britain's best-known and best-loved TV personalities including Mary Berry, David Attenborough, Alan Titchmarsh and Rick Stein. We are also the official publisher of some of the BBC's biggest global brands, including Doctor Who, Top Gear, Sherlock, Good Food and Strictly Come Dancing.
