Tony Lee, Dan McDaid : Doctor Who: The Eleventh Doctor Archives Omnibus Volume 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctor Who: The Eleventh Doctor Archives Omnibus Volume 1:

1 of 3 people found the following review helpful. The story is good but the book is bad. By Howard McElhinny What we read of the graphic novel was enjoyable however the first copy we got pages were falling out of it towards the back and the glue of the binding was letting loose. I returned the book and got another one. This second copy had the exact same problem and now I am returning it without a replacement. Either the copies sold by are defective or the book is

just poorly made in general. I don't know which. I'm very disappointed because we enjoy the doctor who graphic novels a great deal but will not keep a book that is falling apart.

The journey starts here, with the first installment of Doctor Who: The Eleventh Doctor Archives! Join the Doctor, Amy and Rory as they explore the wonders of time and space - where nothing is ever quite as it seems! Collecting the first three complete story arcs of Doctor Who Series 2, don't miss out on these fantastic adventures!

About the Author Tommy Lee Edwards took the comics industry by storm after studying film and illustration at the Art Center College of Design, working on titles such as The Question, Marvel 1985, Batman, and Turf (with co-creator Jonathan Ross). Proving to be one of the most respected and versatile artists working today, he has also designed video games like Command and Conquer, James Bond, and Prey. Matthew Dow Smith is an American comic book writer and artist. His work has appeared in the pages of DC's Starman, Mike Mignola's Hellboy, Marvel's Nightcrawler, and Top Cow's Witchblade. Tim Hamilton lives in Brooklyn, NY, and has produced work for The New York Times, Cicada Magazine, King Features, Marvel, IDW, BOOM, DC Comics, Mad Magazine, Nickelodeon Magazine, and ABC Television, amongst others. Mark Buckingham has been working in comics for over 25 years, and is recognized as being a fantastic designer and storyteller with a diverse range of art styles. He has worked on titles such as Hellblazer, Miracleman, Sandman, Death, and Batman: Shadow of the Bat. Tony Lee is a multi-award winning British writer who has topped the New York Times bestseller list. He has written for a multitude of mediums, including radio, newspapers, and children's books.
