Cavan Scott : Doctor Who: The Ninth Doctor Volume 1 - Weapons of Past Destruction before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Who: The Ninth Doctor Volume 1 - Weapons of Past Destruction:

1 of 1 people found the following review helpful. Revisit the Time WarBy Adam GrahamThis mini-series features the

Doctor, Captain Jack, and Rose together and is set sometime late in Series 1 of the revived series. It features the Doctor dealing with fallout from the Time War. While there have been a lot of stories done around the Time War (and even a novel and a series of Audio Dramas featuring the War Doctor), Weapons of Past Destruction does manage to break some new ground as it imagines Time War weapons falling into alien hands. It's something the TV series never really explored. The idea that the Daleks and the Time Lords fought an epic eons long war across the universe and that everything was cleaned up by the disappearance of the Time Lords and the destruction of the Daleks isn't believable. This story explores the idea that these weapons are being acquired and that another group of aliens is trying to take the Time Lords' place. It's a great idea to explore and the book does a good job exploring that, though I'm not certain I would have chosen to do this with the Ninth Doctor and this TARDIS crew because they had so little time together. Still, it's a good story and the art is Fantastic! It manages to recapture the look and the feel of the Ninth Doctor era beautifully while telling a very interesting story. 0 of 0 people found the following review helpful. A Good Start for the Ninth Doctor Stories By Misty K. I'm a big fan of the Ninth Doctor's season of Doctor Who so the idea of reading new stories featuring The Doctor, Jack, and Rose, is rather exciting. This first volume does not disappoint. The art is great, the characters are well written and this feels like an adventure that could have easily taken place in the world of Doctor Who. That being said the story does seem to go back and forth as to who the "villain" of the story is and leaves you wondering was there a clear cut villain at all. Maybe that's just my interpretation. This is a good start and I'm hoping for more stories in the future. The Tenth Doctor stories are done so incredibly well and I want that for the Ninth Doctor stories too. Volume 1 - B+ 0 of 0 people found the following review helpful. Oh, God, help me. Yaaaaa! By Jasper I've only read a bit of this one, I'm still waiting for Volume 2 to arrive, and I already can't wait for Volumes 3 and 4 to be released. The illustrations are pretty great (with the exception of a few; some of them depict a character in an unrecognizable way - for instance, Jack doesn't look like himself at all in a few places). However, I'll take what I can get. I've never gotten over how quickly Nine came and went and I most certainly was never able to truly accept Rose was gone. These will let me forget for a while, which is all I really need and can realistically expect. If you're a Rose, Jack, and/or Nine fan, I definitely recommend!

The Ninth Doctor takes the spotlight for an all-new adventure with fan-favorite Rose Tyler and Captain Jack Harkness! A complete story in this volume! In-continuity with the TV show - witness an unseen adventure for the very first time, as the Doctor discovers a cache of weapons from the Time War are being bought and sold on the black market. Worse, a new and mysterious force are policing time, making use of the power vacuum left by the Time Lords' disappearance to shape history to their own ends!

Flawless! 10 out of 10! Pop Culture Bandit "Tremendous fun" Bleeding Cool "Cavan Scott has an ear for the Ninth Doctor" - Comic Book Resources What a ride Nick Abadzis, Doctor Who: Tenth Doctor comic series "This looks FANTASTIC! Must have!" - Trevor Baxendale, Doctor Whonovels, BBC Books "The art is joyously faithful to the 2005 Doctor Who aesthetic, and the comic is a welcome reminder of the brimming enthusiasm and fun of that first revived series." Blogtor Who "Nine-Rose-Jack dynamic was very well scripted Comics Beat "Wild ride of a story" - Geek Girl project "A missing episode of the 2005 television series" - Geek Syndicate "A must-read for die-hard Doctor Who fans" Geeksmash "Full of everything that made that first series of New Who so much fun and exciting to watch" - Need To Consume "Its fast, its entertaining, there's mystery and its Doctor Who straight to the core - Flickering Myth "Doctor Who fans will love it for sure" - Geeks of doom Blair Shedd's art looks like a much higher budget version of the TV show - Geeked Out Nation "Impressive artwork" - Sci-Fi Pulse "Excellent story" - TM Stash "A definite must read!" - Geek Girl World Reading this felt a lot like watching an episode of the TV show - Comics Verse "Has the feel of the television series - Needless Essentials "Fun ride that hooked me from the very first page" - Watcha Reading "The book is artistically solid, and the writing is charming and exactly what an episode of Doctor Who is - Florida Geek Scene "The story is brilliant, the art stunning" - Collectors Corner Blair Shedd's artwork is spectacular - Comic Book Day "The art by Blair Shedd is simply lovely" - Nerds Unchained Fun - Pixelated Geek "If you have a special place in your heart(s) for the Ninth Doctor, as I do, The Ninth Doctor comic is worth a look." - The Mary Sue "A fabulous read, and one that all Whovians should pick up" - Unleash The Fanboy Cavan Scott did an excellent job getting the characters right. I was able to hear Chris Eccleston's voice so clearly as I was reading this issue. - Critical Blast "A fun new tale from the Ninth Doctor which brings back everything that was great and exciting from the original series in a whole new setting" - Nerdy "Scott and Shedd capture the feel of Christopher Eccleston's 9th Doctor" - Henchman-4-Hire "Terrific" - Sci-Fi Bulletin "This feels the way Nine, Jack, and Rose ought to feel, and it's nice being back on the TARDIS with them - Nerds "beautiful artwork" - Warped Factor "It's great to be back on board with the Doctor, Rose and Jack. They were fantastic and you know what? they still are - Starburst About the Author Cavan Scott is a writer, editor and producer of over 60 books and audio dramas, including the Sunday Times Top 10 Bestseller Who-ology - The Official Doctor Who Miscellany.
