Cavan Scott : Doctor Who: The Ninth Doctor Volume 2 - Doctormania (Doctor Who New Adventures) before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Who: The Ninth Doctor Volume 2 - Doctormania (Doctor Who New Adventures):

1 of 1 people found the following review helpful. The Doctor's Ongoing Series StartsBy Adam GrahamAfter the ninth Doctor mini-series, he got his own on-going series, and this book collects issues 1-5 of the new series plus the Free

Comic Book Day short. Hacked-The Doctor, Jack, and Rose encounter the galaxy's most wanted geo-hacker, a wanted criminal who "hacks" planets and terraforms them to fit his fancies. This was a great concept but feels a tad overcrowded in a 6-page story. I'd love to have seen this expanded. The end of the comic plays off of Jack's vanity. "Doctormania," - In the titular story, the TARDIS crew arrive on a planet where the Doctor is a popular hero who has franchised and has no problem using violence. We find out what's behind it by the end of the first issue. I kind of wish they'd dragged out as it feels too soon. However, it does become a bit of a journey with a few nice twists and Rose really saves the day. Finally, we have "The Transformed," which has Mickey placing a call for the Tenth Doctor and the Ninth Doctor showing up instead with Rose and Jack in tow, leading to some timey wimey antics as Mickey has to avoid Jack and Rose from seeing him. He's called the Doctor in because something is giving San Franciscans superpowers and then transforming them into monsters. This one has some good stuff. There's a solid timey wimey element of trying to keep everyone apart and this is further complicated because Mickey's wife is present and she's the Doctor's future companion (aka Martha Jones) and he shouldn't meet her but they have a clever way around that. One big annoyance is that they have America using the word "tram" instead of "street car," which is what they would say. Beyond that, this book is a solid story that once again gives Rose a big chance to save the day. Overall, these stories are okay. Jack is fine, and the Ninth Doctor has some nice lines, but the book's best moments do tend to come from Rose. The story is much more continuity laden than most other Titan releases, but that's understandable given that it's just hard to find those plausible gaps when the Doctor could have traveled with someone else. The art and the great characters make this book a good read for fans of the ninth Doctor. 1 of 1 people found the following review helpful. It's Fantastic! By Leria Draven This is 9th Doctor as he was meant to be. We team up with Jack, Rose, and even Mickey the Idiot! We also have some very interesting tie ins to the 10th Doctor (Spoilers Sweetie!) and that's all I'm going to say about that. Wouldn't want to ruin the fun. The art work is spot on, the story line is funny and amazing. It also tells you exactly when this takes place between Episodes The Doctor Dances and Boom Town. A page turner and a great read. I'm looking forward to the next one in the series.

The Ninth Doctor takes the spotlight for an all-new adventure with fan-favorites Rose Tyler and Captain Jack Harkness! The ongoing and unseen tales of this beloved trio!

"A fabulous read, and one that all Whovians should pick up." - Unleash The Fanboy "If you have a special place in your heart(s) for the Ninth Doctor, as I do, The Ninth Doctor comic is worth a look." - The Mary Sue "tremendous fun" - Bleeding Cool "A fabulous read, and one that all Whovians should pick up." - Unleash The Fanboy "If you have a special place in your heart(s) for the Ninth Doctor, as I do, The Ninth Doctor comic is worth a look." - The Mary Sue "Flawless! 10 out of 10! - Pop Culture Bandit "Tremendous fun" - Bleeding Cool "Cavan Scott has an ear for the Ninth Doctor" - Comic Book Resources "What a ride" - Nick Abadzis, Doctor Who: Tenth Doctor comic series "This looks FANTASTIC! Must have!" - Trevor Baxendale, Doctor Whonovels, BBC Books "The art is joyously faithful to the 2005 Doctor Who aesthetic, and the comic is a welcome reminder of the brimming enthusiasm and fun of that first revived series." - Blogtor Who "Nine-Rose-Jack dynamic was very well scripted" - Comics Beat "Wild ride of a story" - Geek Girl project "A missing episode of the 2005 television series" - Geek Syndicate "A must-read for die-hard Doctor Who fans" - Geeksmash "Full of everything that made that first series of New Who so much fun and exciting to watch" - Need To Consume "It's fast, it's entertaining, there's mystery and it's Doctor Who straight to the core" - Flickering Myth "Doctor Who fans will love it for sure" - Geeks of doom "Blair Shedd's art looks like a much higher budget version of the TV show" - Geeked Out Nation "Impressive artwork" - Sci-Fi Pulse "Excellent story" - TM Stash "A definite must read!" - Geek Girl World "Reading this felt a lot like watching an episode of the TV show" - Comics Verse "Has the feel of the television series" - Needless Essentials "Fun ride that hooked me from the very first page" - Whatcha Reading "The book is artistically solid, and the writing is charming and exactly what an episode of Doctor Who is" - Florida Geek Scene "The story is brilliant, the art stunning" - Collectors Corner "Blair Shedd's artwork is spectacular" - Comic Book Day "The art by Blair Shedd is simply lovely" - Nerds Unchained 'Fun' - Pixelated Geek "If you have a special place in your heart(s) for the Ninth Doctor, as I do, The Ninth Doctor comic is worth a look." - The Mary Sue "A fabulous read, and one that all Whovians should pick up" - Unleash The Fanboy "Cavan Scott did an excellent job getting the characters right. I was able to hear Chris Eccleston's voice so clearly as I was reading this issue." - Critical Blast "A fun new tale from the Ninth Doctor which brings back everything that was great and exciting from the original series in a whole new setting" - Nerdlly "Scott and Shedd capture the feel of Christopher Eccleston's 9th Doctor" - Henchman-4-Hire "Terrific" - Sci-Fi Bulletin "This feels the way Nine, Jack, and Rose ought to feel, and it's nice being back on the TARDIS with them" - Nerds Pan "beautiful artwork" - Warped Factor "It's great to be back on board with the Doctor, Rose and Jack. They were fantastic and - you know what? - they still are" - Starburs "Flawless! 10 out of 10!
