Nick Abadzis : Doctor Who: The Tenth Doctor Volume 7 - War of Gods (Doctor Who New Adventures) before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Who: The Tenth Doctor Volume 7 - War of Gods (Doctor Who New Adventures):

0 of 0 people found the following review helpful. Okay End to Overlong Story By Adam Graham This book brings Doctor Who: The Tenth Doctor: Year Two to an end with issues 15-17 and also includes Issue #5 of the Year 3

series. Sutekh has returned to menace Anubis and our heroes in a final showdown and he has some allies. The art is very good and brings the scale of it to life beautifully, and the story is okay. To be honest, I think the Osirian storyline has dragged on far too long and outlived its usefulness. This storyline has been running since the Third Volume of Year One off and on. Issue 5 is a one shot featuring a monster trying to feed on the Doctor's pain. The art is substandard. Gabby doesn't look like herself at all, and the story's been told before and a little bit better. Overall, this is an okay volume but just okay. I hope Year 3 brings a better fresh start for the Doctor. 0 of 0 people found the following review helpful. The end of year 2 FINALLY! By Leria Draven I am so glad this story line is over (hopefully, fingers crossed). It has dragged on far too long to the point where it was boring and tedious. I just felt it was all lackluster and was starting to lack plot. The ending was subpar and the storyline was just flat. The artwork at least was okay. I prefer year one to year two by far. Also, the little special comic at the end, was meh. The artwork was shoddy and it just felt like a rehashed story.

The epic conclusion of the Tenth Doctor's Year Two adventures! On the Shining Horizon, Dorothy and Gabby become concerned about Anubis' behavior... portending the return of the terrible Sutekh! THE FINAL CHAPTER OF THE CRITICALLY ACCLAIMED YEAR TWO OF THE TENTH DOCTOR, AS PLAYED BY DAVID TENNANT!

About the Author Nick Abadzis was born in Sweden to Greek and British parents and was brought up in England and Switzerland. He has been writing and drawing comics and graphic novels for all ages for over twenty-five years. His work has appeared in numerous books, newspapers, magazines and other periodicals around the world and he has been honored with various international storytelling awards, including an Eisner for his 2007 graphic novel, Laika. He also works as a publishing consultant, visual facilitator for corporate business and speaker on visual communication in culture. He lives in Brooklyn, New York, with his wife and daughter. Giorgia Sposito is a comic artist from Italy who has worked on several titles for IDW and BOOM! Studios. She also most recently worked on Zenescope's Wonderland.
