Robbie Morrison : Doctor Who: The Twelfth Doctor Volume 2 - Fractures before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctor Who: The Twelfth Doctor Volume 2 - Fractures:

0 of 0 people found the following review helpful. More adventures with the Twelfth Doctor By irma vep This collection contains two longer stories and one "Free comics" story. The story "Fractures" was a good story, but I found the art sometimes a bit hit and miss. It was still good overall, and I enjoyed the ending. Basically, a man finds a way to reunite with his family, but since he died in this dimension, creepy things from the Void come to get him and his

family because he is threatening reality. It is sort of implied in the ending that this story will be continued later, but you can still enjoy the story without knowing what happens next. The "Gangland" story takes place in a kind of alternative Las Vegas, but if you know anything about Vegas you will probably recognize the people there. It is your average "aliens invading Earth" story, but the art is good. The characters of both the 12th Doctor and Clara seem well done throughout. 0 of 0 people found the following review helpful. Purchased as a gift for my thrilled son
By Richard Cook
This book was purchased as a Christmas gift for my son who is a long-time Doctor Who fan. He was very thrilled to receive it!!!

The Twelfth Doctor and Clara Oswald take a TARDIS trip into all-new adventures! First, they battle an enemy who can slide between the cracks of the universe and take over unwilling human hosts - the FRACTURES! Then, it's a hard-fought battle against an alien invasion in 60s Las Vegas - forcing the pair to team up with local gangsters... in GANGLAND!

"The artwork by Brian Williamson is excellent" - My Geeky Geeky Ways
"Fantastic" - Geek Girl World
"Good, old-fashioned scary Who" - The Fandom Post
"Captured the likeness of Peter Capaldi's Twelfth Doctor and Jenna Coleman's Clara perfectly" - Unleash The Fanboy
Feels exactly like the best-written episodes from the ninth season. - Watcha Reading
"Script and art working together effortlessly to create a creepy, horror tone that would not be out of place on the TV show itself. - Pop Culture Bandit"
Brian Williamson creates striking likenesses for both Capaldi and Coleman using line and shade to give texture and definition. Those details, subtly altered between panels, allow for enormous scope in emotion that only enhances the dialogue" - Those Who Geek
"Delivers in spades" - Warped Factor
About the Author
Robbie Morrison is a Scotsman living near Wales, a writer best known for his contributions to 2000AD - including Nikolai Dante, Shakara and Judge Dredd. He has also written celebrated graphic novel Drowntown, as well as Spider-Man, The Authority and WildCATS.
Brian Williamson is a London-based comics, book and storyboard artist who has drawn Torchwood, Primeval, Spider-Man and many more - as well as comic book biographies of Michael Jackson (Neverland) and The Ramones (Gabba Gabba Hey!).
