Robbie Morrison : Doctor Who: The Twelfth Doctor Volume 4 - The School of Death before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctor Who: The Twelfth Doctor Volume 4 - The School of Death:

1 of 1 people found the following review helpful. Favourite Artist, Favourite Doctor, and clever stories. By Tiny WonderOkay, Rachel Stott is one of my favourite illustrators in comicdom right now. The stories are lovely, and there's a clever 4th wall breaking "this can only exist in comics" story in there too. I prefer collected volumes to trade single

issues, and I'm collecting all the 12th Doctor I can, but especially the ones with primarily Stott's work. 0 of 0 people found the following review helpful. Exterminate...your boredom and get this book! By Nicholas Bridwell, Author I love the Titan Comics 12th Doctor series so much. It nails the voice of the Doctor and Clara so well. 0 of 0 people found the following review helpful. Not Original but Good By Adam Graham This book collects Issues 2.1-2.5 of Doctor Who: The Twelfth Doctor. The titular, "School of Death" storyline finds Clara investigating the disappearance of a friend who was a teacher at an exclusive English school. It's a story that involves a lot of Doctor Who tropes around evil schools which are really part of a front by a monster (in this case an old enemy of the Doctor.) It also has a 4-part Invasion of Earth story involving UNIT in the tale after another 4-part invasion of Earth story ended the previous volume. Still, it's not bad. The Doctor has some great lines and the art is superb, so even though it's not original I enjoyed it. Issue 2.5 is a one-shot that finds the Doctor trapped in a comic book along with a lot of comic book readers. It's a fun story filled with a lot of in-jokes and comic looking cheerleading. The book is fun and a type of story I appreciate. It also includes a back up story featuring Osgood in the TARDIS. The story is somewhat pointless and easily resolved but I give credit for having Osgood in the TARDIS. While this isn't great or very original, this book executes fairly well and is a fun read.

Join the Twelfth Doctor and Clara on brand new adventures through Space and Time! Collects Doctor Who Twelfth Doctor: Year Two Issues #1-5

"This is the perfect breather between longer plot arcs, one I suspect avid readers will return to again and again." San Francisco Book (4/5 star) About the Author Robbie Morrison is a Scottish comics writer, famed for his numerous publications for 2000AD, and his well-known series Nikolai Dante. Rachael Stott, winner of the Best Newcomer Artist at the British Comic Awards 2015, has worked on Planet of the Apes and Doctor Who.
