George Mann : Doctor Who: The Twelfth Doctor Volume 5 - The Twist before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctor Who: The Twelfth Doctor Volume 5 - The Twist:

0 of 0 people found the following review helpful. Doctor Disco Rocks Again By Nicholas Bridwell, Author Robbie Morrison and George Mann nail the voice of the 12th Doctor and every artist in the series has brought a unique and wonderful artistic perspective. 1 of 1 people found the following review helpful. The Song Remains the Same By Squirr-El This volume of the 12th doctor's adventures contains issues #6-10 of Year Two, which provides a three- and a

two-part story. The first is a modern-day story about prejudice set in a very far future, and the second is a run-of-the-mill haunted house story set in a house that isn't haunted with ghosts that are actually energy-beings who feed on Artron energy; the sort of stuff that has been the mainstay of the TV show since its regeneration. These two stories are well-illustrated, not something you (or I) can say about most of the Titan Doctor Who series, and the scripting and characterisation is also well-written, avoiding the caricatures of characterisation so many of the Titan writers have been using. The plots themselves, while not being particularly imaginative, could easily have been taken from the TV show and certainly feel as if they were. This was a reasonably entertaining volume, though the second story's plot was given away as soon as I saw the cover, though the exact details were not.

DON'T MISS THE STUNNING FIFTH COLLECTION OF THE TWELFTH DOCTOR'S ALL-NEW COMICS ADVENTURES! Collecting Year Two #6 - 10 of the ongoing Twelfth Doctor comic adventures! The Doctor visits planet Twist, the colony with 'the best punk scene this side of the 40th century!' But something is amiss when a murder mystery occurs, leading the Doctor and the planet's inhabitants to question their very origins! A haunted house also causes problems for the Doctor, having strange ramifications a house should never have... and this one feels decidedly Time Lord!

About the Author George Mann is the author of *The Affinity Bridge*, *The Osiris Ritual* and *Ghosts of Manhattan*, as well as numerous short stories, novellas and an original Doctor Who audiobook. He has edited a number of anthologies, including a retrospective collection of Sexton Blake stories, *Sexton Blake, Detective*. He lives near Grantham, UK, with his wife, son and daughter. Mariano Laclaustra is a comic artist from Buenos Aires, Argentina. His work has been published in both Europe and the US by small and mid-sized publishers. For the past year and a half, he has worked on a mini-series and various issues of *Dark Horse Presents* for Dark Horse Comics, as well as Doctor Who and Assassin's Creed covers.
