Robbie Morrison : Doctor Who: The Twelfth Doctor Volume 6 - Sonic Boom (Doctor Who New Adventures) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctor Who: The Twelfth Doctor Volume 6 - Sonic Boom (Doctor Who New Adventures):

Collecting Year Two #11 - 15 of the ongoing Twelfth Doctor comic adventures! Paris, France, during the reign of the King Louis XIV: the Doctor dives into pitch-black terror when he discovers an ancient, near-immortal shadow entity wearing Cardinal Richelieu like a suit. With the help of sword-slinging opera singer Julie D'Aubigny, can the Doctor defeat the dark tendrils of the Cabinet Noir? Then: remember the successful comic book based on internet rumors of the Doctor's life - the smash-hit "TIME SURGEON"? Well, the Doctor does, and he's not happy with all the entertaining lies the writer and artist have made up about him! Will a trip through time show them the error of their ways... and possibly heal the rift that has sprung up between them?
