In volume two you really get to see them grow and mature. Especially Maya, thanks to Nemu. He grows from an aggressive, hot-headed, blackmailing seme into someone who actually thinks about his future with his sweet and naive boyfriend. Becoming protective, patient, and understanding. We also get introduced to Nemukun's household and sheltered lifestyle. Nemu opens up a lot more and learns to

communicate his feelings to his boyfriend and his growing insecurities. New characters are introduced as the two become more comfortable in each others lifestyle. For two very different personalities they end up complimenting each other's lacking qualities. Very cute yaoi couple. Fun to watch as their relationship deepens. There is also a funny "what if" two pager. 0 of 0 people found the following review helpful. So cute!!! By Paris I am in love with the series and I had to purchase it for my personal collection! The series starts off very "typical" but trust me it gets sooooo good!! You can read it online for free but I wanted to own it I purchased it via so I am not sure if it supports the author at all. 1 of 1 people found the following review helpful. Best couple By A Brown It still floors me that this couple started out from a shallow one-shot. The way that the story was able to move from that, to the amazing couple that have grown together, shows the skill of this magnaka! I can't recommend this story enough, and look forward to more.

Playboy Maya catches studious Nemugasa cheating on a test, and to ensure his silence Maya blackmails Nemugasa into doing whatever he wants! Maya and Nemugasa are now officially lovers, but it's the summer of their third year of high school, meaning even more studying for college entrance exams. Their relationship is reduced to stealing kisses over lunch recess and the occasional sleepover. Stressed and desperately wanting some alone time, the two wind up having a massive even dangerous misunderstanding! Things only get worse when the two eventually end up attending separate colleges, meaning they will no longer see each other every day. How will Nemugasa handle Mayas continued popularity with the ladies? And can Maya accept Nemugasa making a new college friend?
